

1. Pick your line and call the driver — BEFORE you roll.
2. Distance = (die + terrain) × driver. Never under 1 cm.
3. Draw that line — the end of it is your ball.
4. A line cannot cross the HILLS; it stops where it meets them.
5. Water or off the page? Slide back to the bank, -1.
6. Within 1 cm of the flag is a gimme — one stroke, you are in.

EASIER WAY: roll first, then aim. Worth about a stroke a hole.

YOUR SCORE = the lines you drew + the -1s you wrote.
